Who are the PTFA?

We are all the PTFA.

Parents, Teacher and Friends of St Leonards, working together to raise money to help improve our school.

The PTFA can not run without the help and support of its members. Through organising and running events the PTFA are able to help fund resources to improve our school for your children.

They are a small group and meet once a month, they do however need more support so why not join them at a meeting and see what its all about.

Thank you
