

# 'Let's Learn'

We have been learning about:

w/c 11.2.19

Thank you to all the parents that came to the art and design morning on Friday. We hope you all enjoyed it and have taken home some ideas to do with your child, maybe you could try some of the activities over the half term with your child. We have been developing the math's area this week with lots of natural objects such as shells, pine cones, conkers, pebbles and sticks to use for sorting, counting, matching, measuring and weighing. We have been learning initial sounds of words and some children are spotting the end sounds too. Some children are also now putting their phonic knowledge to good use and are starting to read words such as cat, hat, and mat. To help your child with this we are practicing blending the sounds to make the words. Please try this at home. We hope you all have a lovely half term.

## Dates for the diary

7<sup>th</sup> March- World book day.

15<sup>th</sup> March- Red nose day.

26<sup>th</sup> and 28<sup>th</sup> March- Mother's day lunches.

29<sup>th</sup> March- Mother's day assembly.

Thank you for all your support

Mrs Whittick and the Nursery Team

**Class award of the week- Vlad has won the sports award for ks1 and early years this half term and Vlad has also got Leo to take home for the half term.**
