

'Let's Learn'

We have been learning about:

08.06.18

What a wonderful week!

Our children returned happy and ready to learn and there really has been an explosion of exploration around all kinds of learning! This week we continued thinking about mammals, finding out what we already knew and what we thought we wanted to discover.

We also had some sheered sheep wool to look at, feel and smell.
Please do take time to discuss these learning points with your children.

This week we have been challenging ourselves to learn the final tricky phonemes for Reception. The more difficult are ure, air and ear. Please have a go at practising these with your child to make sure they know them.

This week we have been thinking about sharing, doubling and estimating. We have been practising sharing out amounts fairly so that everyone has the same, considering what we need to do in order to share a fixed amount and how we double numbers to make them twice as big.

Some children have also been looking at how to make reasonable guesses, based on their knowledge of 5, 10 or 20 and then checking to see how close they were.

Dates for your diary

Parents Evening - Monday 9th July

End of Term - Friday 20th July

Have a lovely half term break everyone. Stay safe and we look forward to seeing you when you return to us.

Mr Gregory and Miss Garner
