

Develop your creativity

3 credits

- *Make a model of an igloo.
- *Make a puppet of who might live in an igloo.
- *Draw 5 things you would need to live in one of the Poles.
- *Draw a picture of a person who lives in a Polar region. What do they wear? What will they need? Write labels or sentences about your picture.
- *Write a story about a character who lives in a Polar region - include an opening, problem, resolution and ending.

Explore your locality

2 credits

- *What different homes are there where you live?
- *Create a scrapbook of photos of different types of homes.
- * Visit a travel agents - where can you visit?

This half term's credit challenge is:

Poles Apart

Please complete and bring your homework in on Monday 10th December.

Choose projects to achieve your minimum 6 credits.

By all means go over the 6 points!

Tick off what you have completed to achieve your points.

Have fun!

Explore your mathematical and scientific skills

3 points

- *Make ice lollies by exploring different amounts of drinks
 - create your own recipe
 - explore what happens when they are placed in the freezer.
- *Freeze some small plastic toys in ice cubes. How much do they weigh when they are frozen? What happens when they melt?

Extend your research skills

2 credits

- *Research the ways in which children live in Polar regions - how is it different to the way we live?
- *Research the different places animals live - why?
- *Research an explorer who has been to the North or South Pole.
