

'Let's Learn'

We have been learning about:

w/c 24.9.18

This week we have been learning all about autumn. We have been on an autumn walk to collect leaves, conkers etc and have been busy exploring them in the class room with magnifying glasses. We have arranged the objects to make our own masterpiece which has been photographed, these are on display in our classroom. Please come in and take a look. The children have enjoyed making autumn collages, leaf rubbings and have been conker painting. As many of you have seen our outdoor area has had some new furniture and is starting to come together. The weather has been lovely and the children have enjoyed exploring their new garden. PLEASE MAKE SURE YOUR CHILD HAS A SPARE CHANGE OF CLOTHES ON THEIR PEG TO STAY AT NURSERY AND ALSO BRINGS A WARM AND WATERPROOF COAT SUITABLE FOR THE COLDER WEATHER.

McMillian Coffee morning- On Friday morning all of nursery attended the coffee morning and enjoyed having a cake each. We have raised nearly £300 so far. Nursery were so well behaved, we are very proud of you all.

READING SESSION-Every Thursday we would like to invite parents in to stay for 15 minutes to read to/with your child and other children in the group. Please feel free to bring in books from home to share during this time.

Please work at home with your child to help them to put on their own coats and encourage your child to hang up their own coat on their peg in nursery.

Leo the Lion- Leo the lion has already been to Arlo's and Mikey's house this term. This week Sophie is taking him home for the weekend. We hope you have lots of fun with him and everyone will get a turn to have him at their house.

Thank you for all your support

Mrs Whittick and the Nursery Team
