

'Let's Learn'

We have been learning about:

w/c 08.10.18

Our treasured text this week was 'Sharing a shell'. The children have thoroughly enjoyed this book and have painted and decorated their very own shell and have used the clay to make a creature to go inside. These are on display by the door so please feel free to take a look, they look fabulous. We have been working hard to order and recognise our numbers, develop our cutting skills and having a go at completing up to 12 piece jigsaw puzzles. In phonics this week our sound has been 's'. We have played lots of games to reinforce this and have been trying to write s independently. Please have a go at doing this at home with your child e.g playing eye spy, finding objects in your house beginning with s etc.

PLEASE REMEMBER TO BRING A SUITABLE COAT TO NURSERY FOR YOUR CHILD.

READING SESSION-Thank you to those parents who came to the reading session this Thursday. This is for 15 minutes at the start of the session (am or pm) to read a book with your child and their friends. Please feel free to bring in books from home to share during this time.

Leo the Lion- Leo the lion is visiting Finlay's house this week. We can't wait to find out what he's been up to on Monday.

Please work at home with your child to help them to become more independent by recognising their name and the sound their name starts with. For those children who can already do this we are looking at writing and recognising their last name.

Thank you for all your support

Mrs Whittick and the Nursery Team
