

'Let's Learn'

We have been learning about:

w/c 10.7.18

Firstly we would like to say a big welcome back and a warm welcome to all the new children and parents. We have had a very busy first week back where our main priority has been to settle the new children in and show them the routine. We know the morning drop offs are emotional and noisy but we can assure you all that after five minutes the children are all happy and settled. We have a new member of staff Miss Stevens working in nursery. Mrs Whittick and Mrs Hart are full time. Miss Stanley will be working every morning and Thursday afternoon as well as covering lunchtimes. Mr Deaville helps at lunch times and covers Mrs Whittick's planning time on a Friday afternoon. The children have all enjoyed painting self-portraits this week which are now up on our wall display 'Meet our class'. Please come in and take a look.

READING SESSION-Every Thursday we would like to invite parents in to stay for 15 minutes to read to/with your child and other children in the group. Please feel free to bring in books from home to share during this time.

Leo the Lion- We will be sending home our class mascot home with a different children every week. Along with Leo in his bag comes a book, a lacing card and thread and a diary for you to write your entry in. We hope you all enjoy having him.

Thank you for all your support

Mrs Whittick and the Nursery Team
