

# 'Let's Learn'

We have been learning about:

w/c 25.3.19

A BIG well done to all those children who joined in with our Mother's Day assembly. We are very proud of you all for singing the song so brilliantly. We hope you enjoyed it and that you all got chance to enjoy your coffee and chocolate in peace out of the card. We went to the conservation area on Wednesday and Thursday to have a go at pond dipping. We were lucky enough to get a newt which was very exciting. I have put a photo below to show you all. Some of us have been busy junk modelling which we will paint next week and put on display. In letters and sounds we are learning initial sounds and some children are blending their sounds independently now to read simple CVC words. We are also getting very good at writing the sounds and we are getting really good at doing tricky jigsaw puzzles.

**Lottie has taken Leo home this week.**

**Please send in any boxes, tubes, yogurt pots for more junk modelling.**

Thank you for all your support. Mrs Whittick and the Nursery Team
