

# 'Let's Learn'

We have been learning about:

w/c 18.3.19

Last week we had an exciting week for British Science week learning all about space linked with our treasured text 'Whatever Next'. We learnt lots of interesting facts about the moon, made and decorated space biscuits and we made our very own rocket using a cardboard book and props to tell the story. This week we have been learning all about spring where we have been on lots of spring walks and hunts. We were very lucky on Tuesday to find a frog and some frogspawn in the conservation area in the pond. We also found some daffodils, blossom, ladybirds and we could hear lots of birds singing. We have been busy painted some spring pictures, tracing farm animals, building our own farm with the wooden blocks, jigsaws and we have done lots of counting this week. Great work Nursery!

## Dates for the diary

26<sup>th</sup> and 28<sup>th</sup> March- Mother's day lunches 11.45am

29<sup>th</sup> March- Mother's day assembly 2.30pm

**PLEASE REMEMBER NURSERY FINISHES AT 3.15PM, SOME PARENTS ARE LATE COLLECTING. IF FOR ANY REASON YOU ARE GOING TO BE LATE PLEASE INFORM US BY RINGING THE SCHOOL OFFICE.**

Thank you for all your support

Mrs Whittick and the Nursery Team

**Class award of the week- Sofia has won the award for listening and paying attention especially in PE.**
