

'Let's Learn'

We have been learning about:

27.04.18

What a wonderful week!

We had a visit this week from three lovely (and surprisingly quick) tortoises, as part of our zoology block. The children loved observing and exploring with them and I have no doubt, will be fuelled up to find out more next week. Please talk to your child about their experience and see what else you can discover about reptiles.

We also had our new fence erected ready to build our new garden. The children have loved using the new space and as it develops, we are sure they will gain a great deal from their outdoor pursuits.

This week we continued to look at the /o/ sound family, creating lists of rhyming strings for each phoneme and then writing silly sentences, such as "The goat got in a boat and sailed across the moat."

Perhaps you could create some of your own at home together and send them in for us to share!

We also continued our treasured text: "The Three Billy Goats' Gruff". We now almost know the story by heart, so do ask your child to teach it to you and enjoy reciting it together.

Dates for your diary

Maths workshop - TBC

Phonics 3 workshop - TBC

Understanding the World Parents Morning - TBC

May Day Bank Holiday - 7th May

At the moment we have some temporary staff changes. Due to absence in Nursery, Miss Garner will be supporting there for a short time and we will be working with lovely Miss Vavager.

Please do say hello!
