LEO'S DEN

BEFORE AND AFTER SCHOOL PROVISION

TERMS AND CONDITIONS

Application for a place at Leo's Den

Booking forms must be completed and returned prior to your child starting, we must be immediately informed of any subsequent changes. Alteration or cancellation of booked sessions requires 4 weeks notice in writing. If insufficient notice is given then full fees will apply. If additional sessions are required, please book these through the school office, these will be arranged subject to availability and require payment at the time of booking. Leo's Den is open term time only - 4 weeks notice is required if your child will be taking holiday during term time.

Fees for Leo's Den

Fees are required monthly, in advance. Invoices will be issued at least 1 week prior to the billing period. Fees are to be paid by the 1st day of every month, unless this date is during school holidays, when payment will be due on the first day school re-opens. We accept cash, childcare vouchers, BACS or cheques made payable to Staffordshire County Council. If fees are not paid within 14 days of request a late payment charge of £25 will be payable. If you have not paid by the required date, your child will not be able to attend their sessions as from the following Monday and until payment is made in full together with the late payment charge.

Collection of Children

Children may only be collected by those persons you have given authorisation to and have your chosen password. If your child is not collected within their booked session time, then an additional charge will be made. If parents are consistently late, we may terminate your place. If a child is not collected at the end of the session we will contact parent/carers at work or home. If no-one collects the child and there is no-one who can be contacted to collect the child, we inform the Headteacher who has responsibility for child protection. The Headteacher will contact First Response for advice for non collection of a child.

Behaviour

Verbal or physical abuse from children or adults, aimed at Staff Members or other children will not be tolerated. St. Leonard's Primary School's Behaviour Policy will be followed in the first instance. Parents will be spoken to if there were to be a behavioural issue, however, as Leo's Den is an optional provision and if there was consistently poor behaviour from a child we would reserve the right to inform parents that their child could no longer attend.

Medicine

Staff will administer medicines, providing parents have completed a medication form. Parents are requested to inform staff of any known allergies.
