

Welcome to Leo's Den

The children Kick started the Autumn term celebrating Roald Dahl's day, where the children dressed up as their favourite character from the famous authors books.

The children in Leo's Den love to do cooking.

The children are encouraged to suggest recipes to try and in most cases the cooking activity is child led.

At every opportunity the children have the choice for outside play.

There is a wide variety of outdoor toys for the children to choose from. We encourage free choice but also enjoy group games such as hide and seek, football and basketball.

When the weather stops us from going out there is lots of games, toys and adult led activities for the children to enjoy within the provision.

Cutting and sticking

Variety of board games, construction toys, jigsaws and arts and crafts.

Role play for the children is great fun

Designing Pokémon cards.

In the Autumn term the children collected leaves from the Conservation Area and did leaf rubbings and used salt dough to print the patterns of the leaves.

Bonfire night pictures.

Using water colours and charcoal the children created a winter scene.

Christmas fast approaching Leo's Den children decorate the Christmas tree ready for the Christmas celebrations.

During the Winter term the children made igloos out of salt dough then painted them.

A popular cooking activity that all the children enjoyed was making melting snowmen.

Once again, the evenings started to draw out, so the children wrapped up warm and played outside.

The children loved to search for creatures between the tyres.

Making slime was great fun.

At Easter the children decorated hard boiled eggs.

At the beginning of April, the children researched Earth Day. They created pictures of the earth using water paints, a syringe and a straw.

Carrying on from Earth Day the children researched the effects pollution from plastics had on marine life in the seas and oceans around the world.

Life under the sea 2018

Life under the sea 2028

The royal wedding between Prince Harry and Megan Markle inspired the children to design and make 3D wedding cakes.

The children decorated a biscuit in red, white and blue.

In Leo's Den the children are encouraged to use a variety of different arts and crafts.

Weaving

Creating amazing patterns using poster paint and a salad dryer.

Summer term fun

Circus skills

Water fun
