

KS1 and the dinosaur man

As part of our dinosaur topic launch, KS1 had a visit from an award winning company to launch our dinosaurs topic. All the children got the opportunity to handle live animals that have a link to dinosaurs such as a snapping alligator turtle, a tarantula spider, a tegu, a blue tongued skink, a kookaburra, an African bullfrog, a python, hissing cockroaches and turtles. Children also learnt about the tyrannosaurus dinosaur with the help of Rex an animatronic dinosaur. They had a very educational, fun day in-
