

'Let's Learn'

We have been learning about:

21.09.18

This week we have been thinking about our personal qualities and how to behave towards others. In our learning we explored different emotions we may feel and why we might feel that way. We thought about the words: **good, happy, naughty, sad, cross, frightened, excited, unkind**. Please take some time to continue to reinforce these concepts with your child at home this weekend.

We have also finished learning "The Little Red Hen". Please explore this story with your child who should know it very well!

In our reading we have been working hard to learn at sight and at speed the words: **am, a, in, can, get, big**. We became mechanics and took them apart, to find the individual phonemes (sounds) i.e. c-a-t. Then, we put them back together again! We also worked hard to learn to form the letter shapes so we could write these words down in our special writing books. Please continue to support your child in learning all 11 words to date and the next set, at sight and at speed.

In our work period, all of our children continue to show focus in their learning and exploration. This week we began to look at insects, which proved very popular. Our range of materials continues to grow and we are very excited to see how your children continue to progress. Please talk to your child about what they chose to work with this week.

Dates for your diary:

October 2nd - Reception phonics meeting

November 6th - Reception Maths meeting

It was lovely to see so many of you this week to talk about how your children have settled. We think they are superstars and we are SO proud!

Mr Gregory and Miss Garner
