

'Let's Learn'

We have been learning about:

w/c 26.11.18

We have declared Christmas this week at Leo's Nursery. We have been reading 'The Nativity' and learning all about why we celebrate Christmas. The children have been thinking about what they would like for Christmas ready for making our lists next week. The children have helped to decorate our nursery door ready for the competition we have in school. Our door is a ginger bread house and the children have decorated their own lollipop to put on the display. We have had lots of Santa's elves working busily in the workshop building and designing toys. The home corner has also been very popular with the Christmas dinner table and kitchen role play. We have been practicing our Christmas production daily and all the hard is really paying off. We hope you can all make it to one of the performances.

TICKETS ON SALE AT THE SCHOOL OFFICE £1 EACH

Please can all costumes be in by Monday 3rd December morning ready for the dress rehearsal taking part that day.

If your child doesn't not come to nursery on the day of the performances and you would like them to join in please bring them in their costumes 10 minutes before the start and collect them straight away.
