

# 'Let's Learn'

We have been learning about:

w/c 02.03.20

What super children you have to come into nursery independently, Well Done everyone. This week we are working hard on sorting a collection of shells. We are encouraging the children to think of ways to sort by size, shape, texture, type etc. Our sound of the week is 'g' where we will be identifying g words and trying to write g. This week our activities will include painting, looking for and recording signs of spring in the conservation area, threading, magnetic letters and cvc word building, construction and many more.

Can we all make sure your child has a water bottle in nursery please.

## Dates for the diary
