

# 'Let's Learn'

We have been learning about:

w/c 28.09.20

Our treasured text this week has been 'The Gingerbread man'. We have really enjoyed this story, the children know the story really well and are joining in. We have been constructing towers, castles etc using the mega blocks, sorting and matching in the maths area, drawing and colouring in and lots lots more. We are all working hard to complete simple jigsaw puzzles, please try and work on this at home with your child. Every Thursday afternoon Mrs Evans delivers a session on Personal, social and emotional development using Jigsaw Jenny. So far the children have been thinking and talking about feelings and kind hands. Please talk about this at home with your child, how to be a kind friend, identifying different emotions and feelings with your family.

**THURSDAY-MENTAL HEALTH DAY - WEAR YELLOW - £1 DONATION PLEASE**

## SPACE WEEK

Nursery are joining in with the rest of the school to celebrate Space Week. There will be an email sent home from Mrs Watton (head of science) about the family homework project. We have spoken to the children about this already and they are very excited.

## Child of the week

**Oscar Fraser is our child of the week. We are looking forward to receiving an email from Oscar's parents about something he would like to share with the group next week.**

Thank you for all your support

Mrs Whittick and the Nursery Team
