

'Let's Learn'

We have been learning about:

w/c 7.1.19

Happy new year to you all and we hope everyone had an enjoyable Christmas. All the staff would like to thank you for our lovely Christmas gifts and cards, it is extremely kind and very much appreciated. This week at nursery we have been exploring the start of our 'Winter' topic where on Wednesday we were lucky enough to go outside and explore the ice and frost on a winter walk. The children have also drawn a picture of a Christmas present they received to go on their thank you letter to Santa. We would like to introduce two new children who have started Leo's nursery this week Ethan and Aria, a warm welcome to you both. Ideas for at home this weekend. Get wrapped up warm and go for a walk to see the winter changes and talk to your child about these. Look to see if they can spot any animals and birds and maybe have a go at drawing what you see. We would love to see your drawings next week at nursery.

Please can we ask that all children have a named water bottle to stay at Nursery. Lots of children this week have not had their water bottles with them.

During the cold weather it is so important that all children have a warm coat, hat, scarf and mittens to wear outside.

(Mittens rather than gloves if possible as they are easier for your child to put on independently).

Thank you for all your support

Mrs Whittick and the Nursery Team

Leo the Lion- Leo has gone home with Jacob this week, take good care of him.

Class award of the week- Lucy has won the award for her fantastic achievement in math's this week for ordering numbers 1-10.
