Dear Parent/Guardian,

We are looking forward to a new term of acting and drama this term at St. Leonards, open to children in years 2-6 (limited places on a first-come first-served basis). **The Acting Bug Performing Arts Club** runs for 10 weeks each term on Thursdays (3.30-4.30pm) at £30/term, enrolling now, with the first class on 17th January (last class 28th March).

The club is led by a professional qualified drama teacher, and gives each child the opportunity to flourish through everything that Acting and Performance has to offer. We are a fun and friendly group, encouraging children to express themselves and support each other in terms of creativity and confidence.

We work on general drama and acting skills, to develop ability and experience bringing different characters to life, creating plays, working with scripts, improvising and miming, and often end the term with a performance for family and friends, either as a showcase of skills or a full-blown performance.

If you would like your child to attend the Acting Bug Club, please complete the enrolment slip below and hand in to the school office together with payment of £30 (online payment / cash / cheque payable to Imogen Siveter) **before the first class.**

Yours faithfully

Imogen Siveter
 (Performing Arts Tutor/Manager)

.....
ENROLMENT FORM: Performing Arts Club – St. Leonards Primary School

I would like my child, class....., to attend.

***please delete as appropriate*:**

- I have paid £30 in *cash / by *cheque payable to Imogen Siveter / via *direct transfer (account number 36620645, sort code 60-09-02: please add child's name and school's initials (SL) as a reference, and return enrolment slip to school to secure your place)
