

St. Leonard's School PTFA

Discos

Friday 08 February 2019 - It's time to Party with our PTFA Disco!

In order for us to be aware which children are attending the disco after school hours we operate a ticketing system. Please return the slip below with your payment to the School Office and ensure that your child brings their ticket with them on the night.

May we remind you that the discos are for St. Leonard's pupils only - sorry no younger siblings/friends/relatives can attend, as they are not covered under our insurance.

There **will not** be a tuck shop available at the **EYFS and KS1 disco**. However, as this takes place straight after school, the ticket price includes a biscuit and a drink.

There **will be a tuck shop** available for the **KS2 disco**. Their ticket price covers their admission only - so they will need to bring extra money if they would like to purchase a snack. Please bring change where possible.

PARENTS OF NURSERY CHILDREN MUST STAY AND SUPERVISE THEIR CHILD(REN) ONCE THEY HAVE ARRIVED.

As usual, we require a minimum of 8 volunteers at **each** disco for it to go ahead. Please indicate on the slip below if you would be able to stay and help (and enjoy yourself too!)

All tickets must be requested by Wednesday 06 February 2019
