

'Let's Learn'

We have been learning about:

w/c 14.10.19

We had a brilliant time last week making apple crumble. The children got to pick the apples from the conservation area, peel and cut the fruit and then make the crumble themselves. We hope they enjoyed eating it as much as they did making it. This week we are going to be making healthy pizzas on Tuesday and Thursday. The children are also working very hard to learn their phonics and we are encouraging the children to be as independent as possible, e.g. putting on their own shoes and coats, hanging their coats and bags up themselves, signing in, tidying up etc. Our treasured text is 'Dear Zoo' where we have learnt to sign the story using Makaton. We are also been learning colours, days of the week and the alphabet in Makaton.
