

# 'Let's Learn'

We have been learning about:

4.10.19

This week we have continued to think carefully about seasonal change. What does this mean and how do we know that we are moving into another 'weather era'? The children shared their own thoughts and experiences, before representing what they felt autumn is, themselves. Over the coming weeks we will spend time in our own garden and the conservation area observing the changes occurring carefully. **Please ensure your child has wellies and a warm outdoor coat in school.** *While you are at home, perhaps you could also observe change in your own locality. What do you notice that tells you autumn is coming?*

In our reading we have been working hard to learn at sight and at speed the words: **he, me, we, she, my.** We became mechanics and took them apart, to find the individual phonemes (sounds) i.e. c-a-t. Then, we put them back together again! We also worked hard to learn to form the letter shapes so we could write these words down in our special writing books.

**Very well done to:**

**Arlo, Evan, Phoebe, Joshua, Lucy, Zhayne, Eilidh and Cora**  
**Who know all their sight words!**

Please do continue to work on these words every day, as part of your daily routine. It is important for your child's journey into reading that they know these common words at sight.

We will now be sending guided reading books home for ready children. Please listen to your child read each day and use the book mark provided to explore the concepts in the text.

Dates for your diary:

Parents Phonics Workshop - TBC

Diwali Day - 24<sup>th</sup> October

Thank you for your continued help and support.  
If there is anything you would like to discuss,  
please do come and see us.

Mr Gregory, Miss Garner & Mrs Stanley
