

English - write a letter to your parents and practise writing your address on the envelope.

3 credits

Maths - Odd and even number hunt! Try to identify and write down the odd and even numbers on the door of the houses around you. Can you spot a pattern?

3 credits

DT - make some food at home that could be given to the homeless or a local charity. Think about what food would be best for supporting others.

3 credits

Year 1's

Credit Collection Challenge is...

**What is the difference between surviving and living?**

Choose projects to achieve your **MINIMUM 6 credits**.  
By all means go over 6 credits!

**HAVE FUN!!**

Geography - Find out about houses in three different countries. How are they different to the houses we live in? Create a poster to show what you find.

3 credits

Science - Investigate what materials around your home are waterproof (paper, cloth, metal, plastic). Can you make a house for one of your toys using these materials?

3 credits

Art - complete an observational drawing of your house from the outside.

3 credits
