

Year 1 Reading Challenge

The new year is bringing a new challenge for year one children and their reading! Please tick when you have completed any of these challenges and if you would like to share any of them then you can always email me at:

arbayliffe@st-leonards-stafford.staffs.sch.uk

When your child has completed three challenges, they will be able to move their rockets on to the next planet on our rocket to reading display. When they move a planet, they will receive 15 credits and when they reach the top planet they will receive a special treat!

Good luck! :)
