

Year 1's Credit Collection Challenge

Choose projects to achieve your **MINIMUM** 6 credits. By all means go over 6 credits! **HAVE FUN!!**

English

Create a poster that persuades people to protect their environment. You could write about saving water and electricity, recycling and how to reduce your carbon footprint.

3
credits

Maths

Plant some cress seeds* and measure their growth each day. Keep a record of how much it grows over a week. *You can choose any seeds or bulbs that work best for you but I would recommend ones that sprout quite rapidly for quick results.

3
credits

Science

Go on a minibeast safari in your local area. Keep a record of the different minibeasts you find and any other animals you spot. Write or perform a presentation on what you found.

3
credits

History

Interview a family member/friend who has lived in Stafford for a long time. How has it changed over time?

3
credits

Art

Make a collage out of different natural materials. For example, leaves, flowers and other greenery.

3
credits

Geography

Keep a weather diary for a week and investigate whether this helps you to predict the weather in the future.
