

English - Write a letter to a pilot explaining where you would like to fly to and asking them questions about their job.

3 credits

Maths - Create a paper aeroplane at home and measure how far it flies. Is there anything you can do to improve how far it flies? What did you do to improve it?

3 credits

History/Art - draw or paint a picture of the first aeroplane invented by the Wright brothers

3 credits

Year 1's

Credit Collection Challenge is...

# How Can I Change the World?

Choose projects to achieve your MINIMUM 6 credits.  
By all means go over 6 credits!  
HAVE FUN!!

Science - Investigate how birds fly and create a poster to show the key information you have found. Be as creative as you want!

3 credits

Geography - using a map of the world, identify where Amy Johnson began and ended her journey. What continents did she cross?

3 credits

DT - create a model helicopter using toilet roll, cardboard and anything you can find around your house!

3 credits
