

# 'Let's Learn'

We have been learning about:

w/c 07.09.20

Firstly we would like to say a big welcome back and a warm welcome to all the new children and parents. We have had a very busy first full week back where our main priority has been to settle the new children in and show them the routine. Everybody is doing really well and we are so proud of all the children. We have been learning to do self-registration with our picture cards, learning where our pegs and draws are as well as learning each other's names and some new songs. We have played colour bingo this week to encourage friendships and taking turns which all the children have enjoyed. We have started to paint our self-portraits this week and this will continue into next week for the new 'Our Class' display.

Please make sure your child has the following at Nursery every day  
+Water Bottle (preferably with water in not juice or squash)

+Wellies

+Waterproof coat

+Bag

**SNACK IS NOW PROVIDED  
SO THERE IS NO NEED TO  
SEND A SNACK IN FOR  
YOUR CHILD.**

## Child of the week

Due to start next week we will be choosing a 'Child of the week'. This will be to replace sending Leo the lion home (due to the current covid restrictions).

Instead we will email to say that your child has been chosen and we will ask you to send an email to Mrs Whittick to share news with the group. We will be able to show the children photos and share the news via the interactive whiteboard. You might like to include videos as well as photographs. When your child is selected you can email your child's news to
