

'Let's Learn'

We have been learning about:

w/c 14.12.20

We hope everyone has been able to watch and enjoy the Christmas nativity. We all had so much fun doing it, learning all the songs and dances. It still amazes me how they remember them all. We are very proud of everyone for joining in and taking part. We have enjoyed watching year 1's and year 2's performances too in our classroom. We have had a lovely week finishing off all our Christmas activities and crafts. The children all loved making Christmas salt dough decorations and decorating them. This would be a lovely activity to do at home especially as we have not been able to have playdough out yet this year with the current covid restrictions in place. Play dough may be a nice idea for a stocking filler for Christmas. We have enjoyed reading lots of Christmas books this week and singing some traditional Christmas songs. We especially like the book called 'Sshh' and the song 'When Santa got stuck up the chimney', 'Christmas pudding' and 'Jingle Bells'

Can all children try and wear suitable (Velcro not laces if possible please, as the children find these easier to do themselves) and sensible footwear to nursery please. We are changing our shoes to go outdoors and the children need to try and swap their footwear themselves. Please encourage and help your child to do this over the Christmas holidays. Thank you.

Thank you to everyone for all our Christmas cards and very kind and generous gifts. We would like to wish you all a very happy and healthy Christmas and we will look forward to seeing you all back in the New year.

Thank you for all your support

Mrs Whittick and the Nursery Team
