

'Let's Learn'

We have been learning about:

w/c 16.5.22

The children this week have been really interested in big building and travel. They have been busy making ramps and cascades with pipes and crates then using balls, water, cars to travel down. This has been wonderful to see, the thinking and problem solving and team work has been very beneficial. In the book corner puppets have been added to enhance the story telling. 'Goldilocks and the three bears' has been a big hit. We will be joining in with the whole school Queen's jubilee celebrations next Friday, we hope you can join us on the playground for a picnic at 2.15pm.

Hopefully we can go to the library after half term, we are delayed due to the risk assessments and paper work. We will let you know in advance when we will be going.

Child of the week

This week we have chosen Elena to receive the award for Always being a kind friend. Good girl Elena.

Thank you for all your support

Mrs Whittick and the Nursery Team
