

'Let's Learn'

We have been learning about:

w/c 20.06.22

A warm welcome to Hector and his family who have recently moved and joined the school. We have had a very hot week this week in nursery and the children have coped so well. We have been talking daily about the importance of sun protection and staying safe and well in the heat. On Wednesday we had the first of our transition mornings, the children were not phased in the slightest and really enjoyed meeting new friends and teachers. Our activities this week have included playdough with letter and number stampers, elastic bands and boards, free painting on the easel, jigsaws and character colouring in. PLEASE REMEMBER HATS, APPLY SUNCREAM AT HOME AND WATER BOTTLES EVERY DAY.

We ask that children do not bring toys in from home please. Can we also ask that children wear sensible footwear from now until the end of term as we are going to be practicing for our sports day. Trainers or pumps are ideal.

Thank you for all your support

Mrs Whittick and the Nursery Team

Child of the week

This week we have chosen Hector who has settled in brilliantly to our nursery. He has made lots of friends already and is such a kind and happy little boy.
