

'Let's Learn'

We have been learning about:

w/c 20.01.20

Our treasured text last week was 'The Little Red Hen'. The children are very good at reciting the story now and have all enjoyed using the puppets. We had a go at making our own bread on Tuesday, making our own puppets, painting pictures of the characters, counting and sorting with the farm counters and lots lots more. We are learning a new sound each week and focusing lots of our phonics on initial sounds. Our new sound to learn this week is 'c' (objects in the basket include cat, cake, car, cow, cup). We will be learning all about Chinese New Year at the end of this week and making lots of nice things.

PLEASE ENSURE YOUR CHILD COMES DRESSED SUITABLY FOR NURSERY AND OUTDOOR PLAY.

On Thursday we would like to try some Chinese food and make a simple vegetable stir fry using vegetables, noodles, rice, soya sauce and prawn crackers. If you would not like your child to try this at snack time please let us know.

Thank you for all your support

Mrs Whittick and the Nursery Team

Leo the lion- Ethan has taken Leo home to his house this week.

PE award- Jamie got this award for trying really hard and working well with others.
