

'Let's Learn'

We have been learning about:

w/c 24.02.20

Welcome back after the half term, we would like to say a big thank you to everyone who has donated bird seed so far. We will begin to make our feeders this week and every child will get the chance to make one. This week our treasured text is 'Jack Frost'. We will be making winter collage pictures, making paper snowflakes, finding out about the weather forecast, recording the weather, making weather charts and hoping we might see a glimmer of frost or snow. As part of our construction work we are going to be building castles out of junk modeling this term. Please can you save any toilet roll tubes and cardboard and bring them into nursery for us to use.

WORDS TO LEARN-

Over

Inside

REMINDER

Please can we remind parents that your child will be now coming into nursery independently and we now say our goodbyes in the outside area. We will help your child hang up their coats and sign in if needed.

Achievements at home

So far we have only received FOUR achievement sheets. Please return this by the end of this week (Friday 28th Feb) so we can all celebrate everyone's achievements at circle time. **THIS IS REALLY IMPORTANT THAT PARENTS CONTRIBUTE TO THEIR CHILDS LEARNING JOURNEYS.**

Thank you for all your support

Mrs Whittick and the Nursery Team
