

'Let's Learn'

We have been learning about:

w/c 07.12.20

The treasured text this week is 'Stick man'. The children have thoroughly enjoyed this story and it might be a nice idea for a Christmas present if your child doesn't have it already at home. We went into the conservation area and found our very own stick men and re-told the story. As a group we have sequenced the story and used puppets. We have been very busy making lots of lovely Christmas crafts that will be sent home on the last day. We are rehearsing the Christmas play in the hall every day and we can't wait to film it for you all to see next week.
