

★ English - write a recount about your favourite holiday. Make sure you spend time describing the weather with lots of great adjectives!

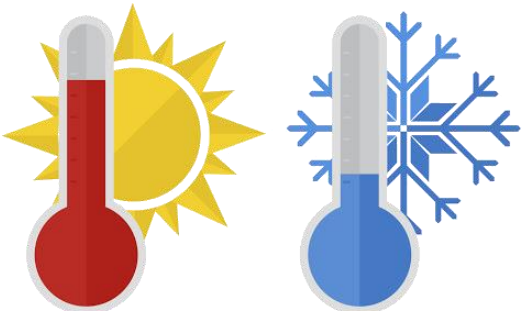

3 credits

★ Maths - Measure a flower in your garden or on a park. Make a note of how tall it is. Measure it every week until the end of this term. How much does it grow?

3 credits

DT - Can you make an umbrella/raincoat for your favourite toy? What materials will you need? How will you make it?

3 credits

COLD

HOT

Year 1's

Credit Collection Challenge is...

Would you rather be hot or cold?

Choose projects to achieve your MINIMUM 6 credits. By all means go over 6 credits! HAVE FUN!!

★ Science - Create a rain gauge so you can measure the rain! Make sure you keep track of your findings. <https://nurturestore.co.uk/how-to-make-a-weather-station>

3 credits

★ Geography - create a 3D model of the Earth showing where the North Pole, South Pole and equator are.

3 credits

★ Art - Complete an observational drawing of your garden or favourite park. Make sure you only use pencil.
