Lockdown Procedures

As part of a Staffordshire central directive we have a plan for "lockdowns". Lockdown procedures are important and would be used in response to an internal or external incident which could be a threat to safety of staff and children in the school.

Lockdown procedures may be activated in response to any number of situations, these may be:

1. A reported incident or disturbance in the local community
2. An intruder on the site
3. A warning received regarding a local risk of air pollution (smoke plume, gas cloud etc)
4. A major fire in the vicinity of the school
5. The proximity of a dangerous dog roaming close by

In the event of an actual lockdown parents will be notified by a text message as soon as possible.

Our lockdown procedure has restricted access. If you would like to see a copy please contact the school office.
