

21st September 2020

Dear Parents/Carers

"Let's come together and brighten up 2020"

On Thursday 8th October we will again be taking part in the Young Minds #HelloYellow campaign to mark World Mental Health Day.

We would love all of our children to come dressed in something yellow that day to brighten our school and show our support for everyone's mental health!!

We would kindly ask for a donation of £1 per family which we will split between supporting Young Minds and purchasing further resources to support our children in school with their mental health and wellbeing. Please pay via your ParentPay account - unfortunately no cash can be accepted.

The children will be taking part in activities in their own classrooms this year (due to the restrictions we currently have in place) to promote their mental health and wellbeing and to think about how they can help others.

Please feel free to contact me if you have any questions about the day or how we support children in our school

Thank you for supporting us in school as always

Mrs Anita Hensley
