

Dear Parents

Year 5/6 'STONE AGE TO IRON AGE WORKSHOP'

As part of our topic, we have arranged for a 'Stone Age to Iron Age Workshop' for the children on **Friday 9th October 2020**.

During the workshop the children will be working as archaeologists, making their own prehistoric clay pots and learning how to make prehistoric flour. To cover the cost of the day we are asking for a contribution of **£7.00** per child and should be grateful if you would complete and return the permission slip below as soon as possible. Please pay via your ParentPay account.

This will take the place of a visit out of school for this topic, so there will not be the cost of a further visit this term.

Yours sincerely
