## Leo's Den

We are happy to say that Leo's Den will be open from September 2020. Please note a few changes that have been put in place:

- There will be one bubble of children and you will be sending your children at your own risk.
- **Morning sessions** - No parents are to enter the building. Ring the bell and a member of staff will come and collect your child from you. All children are to be in school by 8.30am.
- **After school sessions** - Please ring the bell and a member of staff will bring your child to you. No children can be collected before 4pm and no parents can enter the building.
- Please do not congregate on the ramp area or in the staff car park. Social distancing must be adhered to at all times.
- Please wear a mask or face covering when on school property.

Please familiarise yourselves with the new terms and conditions for the use of the Leo's Den provision. There are quite a few changes so please ensure you read through thoroughly to avoid any additional charges.

Payment must be received by 1<sup>st</sup> day of each month for your child to attend the provision.
